

# Curriculum Vitae

S.M. Saiful Islam Badhon

Python Enthusiast

Cell: 8801521309364

E-mail: saifulbadhon.sb2@gmail.com

## SKILLS

Public Speaking

Team Working

Ms. Offices

C

Python

Java Script

Php

HTML5 & CSS

## LANGUAGES

ENGLISH

BANGLA

HINDI

## PERSONEL INFORMATION

Name : S.M. Saiful Islam Badhon  
Father's Name : S.M. Kamrul Islam  
Mother's Name : Asma Khanam  
P.Address : Post office- Kahalpur, Thana- Mollahat,  
District- Bagerhat, Division- Khulna.  
Date of Birth : 30<sup>th</sup> September 1997 (Bagerhat)  
Age : 22 years old  
Gender : Male  
Religion : Islam  
Cell : +8801521309364  
E-mail : saifulbadhon.sb2@gmail.com

## EXPERIENCES

- 2020 - Curr Intern (Machine Learning eng.)**  
Daffodil Software Limited
- 2019 – Curr. Teacher Assistant**  
Daffodil International University.  
In AI and Computer Networking Lab
- 2016 - 2017 Programming Contest Organizer**  
Daffodil International University  
Computer and programming Club.

## FORMAL EDUCATION

- 2016 – Curr. BSc - Computer Science And Engineering - Current CGPA 3.79 at**  
Daffodil International University.
- 2013 - 2015 HSC – GPA 5.00** from Adamjee  
Cantonment College, Dhaka.
- 2011 - 2013 SSC – GPA 5.00** from Cantonment  
Public School, Mymensingh  
Cantonment.

## PROJECTS & RESEARCH

● “A Machine Learning Approach to Automating Bengali Voice Based Gender Classification”  
Accepted & Presented in 8th International Conference on System Modeling & Advancement in Research Trends (Scopus Indexed).

● **Fruit Classification, Using** Image classification model (CNN)  [https://github.com/SaifulBadhon/Image\\_classification\\_with\\_CNN-/blob/master/fruits\\_identification.ipynb](https://github.com/SaifulBadhon/Image_classification_with_CNN-/blob/master/fruits_identification.ipynb)

● **Face recognition and identification** , Using Opencv and haar cascade classifier  [https://github.com/SaifulBadhon/face\\_identification](https://github.com/SaifulBadhon/face_identification)

● **Weather Update**, A web app to search weather around the world using Open Weather Map API with JavaScript  <https://wapp.herokuapp.com/>

● **Search GitHub Users**, A website to search git-hub users using git-hub API with JavaScript  <https://gittt.herokuapp.com/>

● **Product Catalog** , A simple use of JavaScript DOM by adding, deleting and Searching product  <https://saifulbadhonportfolio.000webhostapp.com/Product%20catalog/index.html>

● **Online bidding site**, A web app where people can buy, sell and can bid on a product , with php and MySQL.

## CERTIFICATION

● “Deep Learning in Python” Data Camp  
 <https://github.com/SaifulBadhon/Certification/blob/master/certificate.pdf>

● “Convolutional Neural Networks for Image Processing”, Data Camp  
 <https://github.com/SaifulBadhon/Certification/blob/master/certificateCNN.pdf>
